

Junior Girl Scout Troop 723

March 28, 2005

At today's meeting we plan to:

- Form New Patrols and Elect New Patrol Leaders
- Write letters to send in our Sailor Cookies
- Make up missing badge activities

Cookie Money! Thank you all for turning in your cookie money! Our troop profit was \$954.60!!!!

Overnight! On Saturday, April 30th to Sunday, May 1st we will have our Pizza & Movie night. The exact times will be in the permission slip later but we tentatively plan to start around 3:00pm. We'll practice putting up tents, campfires, dishwashing, etc. during the afternoon, then have pizza, watch movies and sleep in the basement! We'll finish up by 9:00am on Sunday.

Note: This is a sample of one of Kathy's troop newsletters. The family names on the helping hands section have been changed to protect the family's privacy on the website. The real newsletter passed out each week to the girls (and emailed to their parents) includes family names. Kathy also uses a mail merge function so the upper right hand corner of the newsletter has the girl's name on it . . . so when Kathy finds a newsletter on the floor after the meeting Kathy knows which girl left it behind!
