

# Girl Scout Program Standard 13 - Adult to Girl Ratios

Effective 1 Oct 2008

To use the spreadsheet, select the number of girls participating from the first column, then slide across to the event and program level. The number tells you the number of adults you need. For example, if you are taking 12 Daisys on a trip, you'd need 4 adults.

Number of Girls	Number of Adults for Meetings						Number of Adults for Events, Trips or Camping					
	Daisys	Brownies	Juniors	Cadettes	Seniors	Ambassadors	Daisys	Brownies	Juniors	Cadettes	Seniors	Ambassadors
